Department of Telecommunications and Energy

**RESPONSE OF THE ATTORNEY GENERAL TO THE
FIRST SET OF INFORMATION REQUESTS FROM THE
BAY STATE GAS COMPANY
D.T.E. 05-27**

Dated: August 1, 2005

Responsible Party: Attorney General

BSG-AG-1-1 Please provide a single schedule that identifies, as of the date of these information requests, each one of the Attorney General's proposed adjustments to Bay State's as-filed revenue requirement, and identify the witness who is supporting the proposed adjustment (if any). Please list every adjustment currently proposed.

Response: The Attorney General has sponsored four witnesses in this proceeding, each having proposed formal recommendations to the Department. The exact nature of each proposed adjustment, as of the filing date on the testimony, is already described in the testimony or attachments of these witnesses. As to other adjustments, the record in this proceeding is still open, and the Attorney General has made no final determinations on proposed adjustments. He will file final recommendations during the briefing phase of this proceeding, as is the usual custom and practice before the Department.
